

# Ever wondered what you can make with honey and beeswax?

Are you interested in making your own natural soaps and skin creams?

Are you interested in finding out different ways of using honey and beeswax?

Are you looking for ideas for those special presents?

Or an activity you could do with the children in the holidays?

**Come and join Cambridgeshire Beekeepers' Association**

for a most helpful demonstration and talk by

**Dr. Sara Robb**

7.00pm for 7.15pm start on Thursday May 16

The Studio, Storey's Field Centre, Eddington

Demonstration is around 40 minutes with Q&A afterwards.

Tea, coffee and biscuits provided.
