To support new beekeepers the Association tries to find a neighbouring Member who is willing to act as a 'Bee Buddy' for each beginner, giving them help and guidance.

- I would be willing to become a 'Bee Buddy' to a new beekeeper. I agree that my name, telephone number, address and email address may be passed to beginner beekeepers.

The Association promotes beekeeping by attending village shows, fairs, fêtes and open days, talking to the public about bees and beekeeping. Our biggest commitment is at the Fenland Country Fair at Quy, where we stage our annual Honey Show and displays of beekeeping interest.

- I would be willing to help at events which CBKA attends.
- I would be willing to give daytime talks to schools or clubs.
- I would be willing to give evening talks to schools or clubs.

Any time you can offer to help with tasks associated with running CBKA would be hugely appreciated.

- I would be willing to help with the tasks associated with running the Association.

If you have a particular skill or profession which you feel would be of use, please state it here:

CBKA Members are points of contact for the general public, police, local councils etc. who seek assistance in capturing or removing swarms. Swarm removal and hiving should only be undertaken by beekeepers with at least one year's experience of beekeeping. To enable swarm collectors to provide an efficient service, and so that members of the public can contact you, it is necessary to make your contact information publicly available.

- I would be willing to help remove swarms following requests for help from the public. I agree that my name and telephone number(s) may be passed to BBKA, made public on the BBKA website so that members of the public can contact me, and that my name, address, telephone number and email address may be circulated to all other CBKA swarm collectors.
- I would like to be advised when swarms are available for collecting or re-hiving. I agree that my name, address, telephone number and email address may be circulated to all CBKA swarm collectors.

Payment information

The annual subscription includes a capitation fee of £19.00 (Ordinary Members) and £12.50 (Partner Members) which CBKA pays to the British Beekeepers' Association for affiliated membership. These fees include Product and Public Liability Insurance for Members.

¹ Beekeepers generally agree that more money is needed for research on promoting the health of bees and into the causes of colony failure. CBKA has joined with other associations in this area to sponsor a research student; Members are asked to support this programme and the BBKA Research Fund. A jar of honey is worth at least £5.00 today and a donation of at least this amount would be appreciated.

² The Ordinary Members' subscription also includes an insurance premium of £2.00 which provides 'Scheme A' Bee Disease Insurance cover for up to three hives. The BDI scheme requires all colonies to be insured. If you expect to have more than 3 colonies, please include the additional premium, as follows.

Extra 1-2 colonies: £2.00	Extra 1-22 colonies: £11.10
Extra 1-7 colonies: £5.25	Extra 1-27 colonies: £13.60
Extra 1-12 colonies: £7.75	Extra 1-32 colonies: £16.10
Extra 1-17 colonies: £9.50	Extra 1-36 colonies: £18.10

If you have more than 39 colonies you should arrange insurance yourself under 'Scheme B'.

Premiums paid after 31 March give cover from 41 days after payment until 31 December that year.

Note that it is the number of colonies that you have at the time of inspection when foul brood is found that counts for insurance. All colonies must be covered by insurance; in the event of underinsurance, claims will be rendered invalid and no compensation paid. Members must therefore take out insurance for the number of colonies they anticipate having in the summer, including nucs, splits and swarms.

³ CBKA News and the yearbook will be available for download from the CBKA website. If you would prefer to receive these by post, there is a small extra charge to help cover the (not inconsiderable) cost of producing hard copies.

⁴ CBKA arranges group subscriptions to this magazine; these discounted prices are only available for those returning forms before

1 March 2021.

GIFT AID

Please treat my subscriptions and any donations I make to be treated as Gift Aid donations until I notify you otherwise. I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCS) that I donate to will reclaim on my gifts for that tax year.

Note that CBKA cannot reclaim tax on the BDI premium for extra hives or for magazine subscriptions; the amount eligible is the 'Subtotal before insurance and subs'.
